

Apprenticeships!

- Customer Service Skills
- Cleaning
- Security
- Team Leading
- Spectator Safety
- Stage Crew

Who is this course for?

Anyone over 16 who would like to learn while they are in employment of between 16 hours and full time.

Who is this course for?

Anyone employed who wants to learn in a work-based environment

What does the course cover?

You will complete an apprenticeship framework in your chosen subject with the appropriate level of functional skills, a technical certificate and a full level 2 or level 3 vocational qualifications.

Do I need any previous training?

No.

How long does it last?

Various – this apprenticeship is learner and workplace driven. One Year is the normal length of programme.

Level 2 and Level 3 Apprenticeships

Yes. You will receive accredited Level 2 certificates in your chosen subjects.

You will be taught with unique access to the real working environments. You will be looked after by qualified staff with vast experience of the industry.

The tutors and assessors will be specific for your vocational area. All Eventcover Education staff are qualified and experienced in the vocational area they assess.

You will complete training days as well as being assessed in your place of work. You will be required to create and complete a portfolio of evidence to submit before completion of your training to prove competence.

Classroom based training will take place at our main training centre at the Metro Radio Arena or at a venue convenient to learners. Assessments will take place in your place of work

You can choose from Level 2 or Level 3 Apprenticeship frameworks in;

- Customer Service Skills
- Cleaning & Support Services
- Providing Security Services
- Team Leading
- Spectator Safety
- Stage Crew
